

# Waxar EasyImage

- **easy**
- **fast**
- **reliable**
- **EU-Patent**
- **Windows**
- **Mac**
- **Linux**
- **Unix**

---

**Waxar EasyImage**, the new backup solution, keeps all your computer data safe: system data, programs, individual settings, passwords, documents - simply everything.

This solution requires no IT knowledge from the user, configures itself and runs fully automatically. The user only needs to start the program for backup or restore.

**genuine  
backup**
